Javascript Lab#3

AJAX

Review Lab #2

Questions???

AJAX & Twitter

- What's on tap for tonight?

    1) Use AJAX to make asynchronous web request

    2) Integrate Twitter Search API with AJAX

    3) Display search results on HTML page

    4) Update search results without refresing page

    5) Explore AJAX inside a Rails app.

Let's get started!
